

Parental Permission Form to Excuse/Drop All Homework Assignments for An Entire Quarter

Name of Student:

Date:

In my capacity as the parent/legal guardian of the student named above, I hereby give permission

1. For my child to be excused from turning in any and all homework assignments without any penalty for the duration of this marking period. My child and I understand that dropping homework assignments means that other scores (i.e. tests, writing exercises, class participation, etc.) will have a greater weight on the overall quarter grade for this marking period because there will be fewer points with which to calculate his/her quarter average.
 2. For my child to reserve the right to turn in any and all homework assignments at his/her discretion so long as they are submitted before the end of the marking period in which they were assigned, if my child and I decide that turning in completed homework assignments would be beneficial for him/her. However, we understand that all late assignments must be handwritten in order to receive full credit. Furthermore, they must also be thorough and complete in order to receive any credit.
Assignments which are turned in more than one week after students have already been tested on that material may only earn up to 80% of their original value.
