

Parental Permission Form to Excuse/Drop a Single Homework Assignment

Name of Student:

Date:

Specific Homework Assignment:

In my capacity as the parent/legal guardian of the student named above, I hereby give permission (please circle the appropriate selection below):

1. For my child's homework assignment to be turned in late.
My child and I understand that in order for it to count toward the quarter grade, the assignment needs to be turned in before the end of the marking period in which it was assigned and must be handwritten in order to receive credit.
All late assignments must still be thorough and complete in order to receive credit.
Assignments which are turned in more than one week after students have already been tested on that material may only earn up to 80% of their original value.
2. For my child to be excused from turning in this assignment without any penalty.
My child and I understand that dropping this assignment means that other scores (i.e. tests, writing exercises, completed homework assignments) will have a greater weight on the overall quarter grade for this marking period because there will be fewer points with which to calculate his/her quarter average.
